Welcome to the Taphouse!

Under the same ownership for 25 years so we really appreciate your support to keep the vibe going. The Tappy team are here to make sure you have the best possible time.

The apres-sea vibe stems from our experiences of enjoying a beer in the sun after a day on the coast. Sustainability and clean oceans mean the world to us, that's why we work with organisations such as SAS - Surfers Against Sewage.

We regularly host live music & have resident DJs to call upon when the mood takes us!

As our good friends at Stone & Wood Brewery say
